Mr. William G. Miller
Staff Director
Select Committee to Study Governmental
Operations with Respect to
Intelligence Activities
United States Senate
Washington, D. C. 20510

Dear Bill:

Previously, I sent you six books for your staff's library. I am now sending you a copy of Lyman B. Kirkpatrick, Jr.'s The U.S. Intelligence Community. I had been advised by our library here that it might take a longer time to obtain this copy, so I sent the others on ahead. It arrived much sooner than anticipated.

I hope your staff finds it of interest.

Sincerely,

Associate Deputy to the DCI
for the Intelligence Community
